**Re: Recommendation of Hill Foley Rossi & Associates for Design Services**

To whom it may concern:

I am pleased to write this recommendation letter on behalf of the professional group of Architects and Engineers at Hill Foley Rossi & Associates. HFR has maintained an excellent working relationship with MDS, and has met all of our challenges during design and construction on numerous projects.

Based on my experience, I have found HFR to possess the creativity, knowledge and commitment to handle any project presented to them. Most recently, HFR has provided MDS with in-house Architectural, Structural and Civil design solutions for several government projects for the Georgia Department of Human Services listed below:

**Bleckley Co. Department of Family and Children Services**

Cochran, Georgia

7,000 SF center supporting child welfare programs, economic assistance and help with child support orders.

**Cherokee Co. Department of Family and Children Services &  
Department of Child Support Services**

Canton, Georgia

33,000 SF new building houses two departments with separate entrances and public lobby spaces.

**Banks Co. Department of Family and Children Services**

Homer, Georgia

8,000 SF building provides numerous support services and innovative programs to help families in the community.

**Liberty Co. Department of Family and Children Services**

Hinesville, Georgia

23,000 SF center facilitates in providing welfare and employment support, the protection of children, foster care and other services.

I would like to ask you to consider the team at HFR for your project, as I highly recommend the services of this company and will be working with them again in the future. Please feel free to contact me directly should you have any questions or need additional information.

Respectfully submitted,

Don E. Chandler, Principal
