

WELCOME

DAVID WOODSON

CIVIL ENGINEERING DESIGNER

In David's four years of experience, he has worked on a wide variety of site development projects. From one acre to 100+ acre projects, inspecting and overseeing of a culvert being constructed, a tree count for a 300 acre site, mass grading a twenty six acre site and then creating a machine control model for the grading, David brings a wide variety of skills and creativity to our team. We are confident that he will be a tremendous asset to our team.

WELCOME TO THE HFR TEAM!
